Dear Bernard:

We wanted to express our thanks for the wonderful service that ERISA Pros provided us. We were so pleased to have a one stop resource that was able take us through the steps of an annual plan review, provide a complete up to date wrap plan document binder as well as offer form 5500 and SAR preparation. You have made these compliance and reporting requirements so much easier to understand and manage.

ERISA Pros' service fees were very reasonable and within our budget. Money well spent.

Best Regards,
